

Case Study

More than just a tick

A Client Review of Southpac Certifications: By Accredited Asbestos Specialists

Want your organisation's certification to be more than just a tick?

Southpac Certifications is committed to helping organisations get the most benefit from their certification; from the initial stage one audit, throughout the year and for each ongoing surveillance audit, we're with you.

"The communication with Southpac Certifications was superb. Everyone was incredibly lovely to deal with and made us feel at ease."

Serah Smith at Accredited Asbestos Specialists

Who are Accredited Asbestos Specialists?

AASL are the Asbestos removal experts licenced for both Class A and Class B asbestos removal. As members of the NZDAA (New Zealand Demolition and Asbestos Association), AASL offers removal and disposal of all forms of asbestos, commercial, residential and soil and services 6 cities in the Greater Wellington region.

What Standards/Regulations of Compliance

AASL has implemented an integrated management system to AS/NZS 4801:2001 for Occupational Health and Safety as well as following Worksafe Health and Safety at Work (Asbestos) Regulations 2016.

How were Southpac Certifications 'more than just a tick'?

"There was no unnecessary dragging out of our meeting, and it was a pleasure working with Southpac throughout the entire process."

Testimonial from Serah Smith at Accredited Asbestos Specialists

"The communication with Southpac Certifications was superb. Everyone was incredibly lovely to deal with and made us feel at ease."
